Life Perks Rider

The "Policy" is the Policy to which this rider is attached. Benefits provided by this rider begin following the Policy Free Look Period unless otherwise provided. There is no premium or administrative fee associated with this rider. This rider and its benefits will terminate upon the termination of the Policy.

Life Perks: From time to time, we may make available to you certain benefits referred to as Life Perks. Life Perks include goods, services, online subscriptions, mobile applications, tools, gift cards, and other programs, which are developed as a resource to assist you in managing your health, wellness, financial, or life insurance needs. We will determine and offer Life Perks at our discretion.

Participation in any Life Perks we make available to you is optional. You may elect to participate in some, all, or none of the Life Perks. It is entirely up to you to participate in Life Perks. You may be enrolled automatically, but can opt out of services at any time. Should any new Life Perks become available to you, we will provide you with information and instructions on how to participate in the Life Perks at no cost.

Life Perks are made available to you through third party vendors ("Vendor"). Participation in any Life Perks is subject to the Vendor's terms and conditions, privacy policy and other applicable rules and disclosures. We are not responsible for the content, performance, accuracy, or quality of any third party Vendor's service, and we do not provide any warranties related to any Life Perks.

The Life Perks are provided to you at no charge to you. When using Life Perks, you may be offered the option to participate in additional services or features that are not part of Life Perks. If you choose to participate in these additional services or features, then you may incur costs as set forth by the provider of the service. You will have to pay any costs due to your participation in services or features that are not included with Life Perks.

We reserve the right to elect, designate, replace or terminate any Life Perks, including those Life Perks specifying a termination date at the time you enroll, at any time. In the event we change or terminate a Life Perk applicable to you, we will provide you with a notification at least 5 days in advance of such change or termination. Should you wish to keep a Life Perk in effect past the date of termination, you will be responsible for any costs to keep such benefit active.

In no event will we use the information we collect about you from participating in any of the Life Perks to change the Insured's risk classification; or as the sole basis to deny a request to reinstate insurance. For purposes of this rider, the Insured is as defined in the Policy.

This rider is subject to the conditions of the Policy. Where a conflict between this rider and the Policy exists, the conditions of this rider will control.
